Please note that supervision will only be provided each day until 3:00 p.m. and students may not remain in the building after that time without admin. approval.

Lion King

We are beginning the process of creating our production, The Lion King. This production has 115 cast members and all of them need a costume. We need sewing volunteers to help us build all these costumes.

Please join us on Monday, November 7th in the Home Ec room for an information/meet each other meeting at 5:30 pm if you are interested in helping out. You don't have to be a professional sewer to help out, just a willing participant. Please let me know if you are planning on joining us or are interested in helping but can't attend the meeting. Thank you!
